September 2021 Start

If you have a desire to make a difference to children's lives then Bloxwich Academy could certainly be the place for you. At Bloxwich Academy the role of a coach has a huge impact on supporting the progress and attainment of our pupils. The success of the school since joining Matrix Academy Trust, has seen pupil progress scores soar, becoming the most improved school in the country and one of the highest in Walsall.

Therefore, for the first time we are looking to expand our team to include both science and humanities subjects in addition to literacy and numeracy coaches. Our coaches are as integral to our team as our teachers and help to develop a child's confidence, plug their gaps in knowledge and put them on a pathway to success. As a school, the community is at the heart of all we do and as such many coaches have continued their career path and trained as outstanding teachers with us. We wish to employ dedicated staff who wish to continue on our journey, who are enthusiastic about their subject but also helping pupils to *'be the best they can be'*.

Whatever your experience in the classroom, it's your passion and 'geekiness' for your subject that counts.

Skills Required:

- Well qualified in your specialist subject area (A-Level is desirable but not essential)
- Excellent communications skills
- Organisational skills
- Ability to motivate and enthuse pupils and instil a love of learning

The successful candidate will have access to a range of excellent professional development opportunities within Bloxwich Academy and across the Matrix Academy Trust. Together we are a community that strives to challenge ourselves, underpinned by research and pedagogy.
