

Teacher of Maths

Dame Elizabeth Cadbury School

Woodbrooke Road, Bournville, Birmingham, B30 1LU

Start Date: September 2022

Salary: MPS

Early Careers Teachers welcome

Respectful pupils + Committed maths teachers = The next generation of mathematicians and fulfilled teachers

We need a passionate teacher of maths, someone who truly loves their subject, to join our strong team of maths geeks.

Whether you're an NQT or you've been teaching maths for decades, if you don't have an environment in which pupils show their teachers respect, nothing adds up.

Our pupils are well behaved because we model how to behave. We achieve this through kindness and firm boundaries. We expect pupils to have manners and show respect to each other and their teachers. Anyone who does not show manners and respect is sanctioned and reflects on their behaviour so they make better choices in future. If it would not be good enough for our own relatives, it is not good enough for our pupils. This is our school's golden rule.

We want the best for every child, regardless of where they were born, how much money they do or don't have and who they are (gender, race, disability, sexual orientation).

That is what drives us.

We want people who are similarly driven. We want people who will not only grow the next generation but also people who are eager to take every opportunity to grow themselves. We offer superb professional development opportunities, including the full suite of new NPQs.

If you would like to know more about the role, have a read of the job description or email Headteacher David Lowbridge-Ellis directly. He will be happy to answer any questions or arrange a tour.

Or if you are already ready to apply, please fill in the application form found on our website: www.matrixacademytrust.co.uk/vacancies and send to If you would like to know more about the role, have a read of the job description or email Headteacher David Lowbridge-Ellis directly.
